

PRESS RELEASE

Completion of ANP Trading Platform and Asycuda World System Interconnection.

Dili, Wednesday 25 October 2023, Autoridade Nacional do Petróleo (ANP) would like to announce that ANP and Autoridade Aduaneira (AA) have successfully completed the interface between ASYCUDA world system and ANP Electronic Trading Platform through the Timor-Leste Electronic Single Window (TileSW). The interface between both system is implemented following the signing of MoU during the 2nd Nacional Conference on National Electronic Timor-Leste Single Window (TileSW) at the City 8, Has Laran, Manleuana, Dili on 28 September 2023.

The inter-connection of both systems will assist the ANP and AA in the exchange of information on the import authorizations and Free Circulation of Petroleum refined products. The exchange of information between the systems is depicted in the diagram below:
